

JORDAN O. PAMPLONA

Full-Stack Web Developer

Tanauan City, Batangas | +63 956 329 3943 | [Portfolio](#) | [GitHub](#)

OBJECTIVES

Motivated and hardworking individual seeking an entry-level position where I can apply my knowledge, develop my skills, gain experience, learn new skills, and grow professional. Aspiring Full-Stack Developer currently pursuing a BS in Information Technology at PUP–Calauan Campus and expected to graduate at September 2026. Proven track record of independently shipping production-ready web applications — from a gamified habit tracker to an offline-first PWA, using modern JavaScript stacks. Recognized as passionate about building performant, user-centered digital products.

EXPERIENCE

Intern, MIS - Municipality of Tanauan City |2023

- System Unit Setup, Hardware Installation and Removal
- Computer Maintenance, Internal Cleaning, PC Dusting
- Formatting computer

Intern, RV Lat Group of Companies OPC|2024

- Inventory Data Entry, Stock and Order Management
- Basic Photoshop lay outing
- Create a video advertisement and its sequence.

Salesforce Supported Virtual Internship Program – Philippines|2025

- Salesforce Fundamentals, Data and Security Modeling
- Agent force Essentials and Agent blazer Champion Training
- Capstone Project Development using Salesforce Platform

PROJECTS

Habitaw — *React 19 · Vite · Node.js · Express · MongoDB · Socket.io · PWA*

Gamified Habit Tracker Platform

- Built a real-time full-stack app with live updates via Socket.io, dynamic XP/streak algorithms, and badge unlock logic
- Implemented secure JWT authentication with middleware-based role-protected API routes
- Engineered event-driven notifications using Web Push and NodeMailer for engagement reminders
- Optimized client-side performance with React 19 + Vite; deployed as an installable PWA with service worker offline caching

Live: <https://jpdev-habit-tracker.vercel.app/>

JPDeck — *React · Vite · Supabase · IndexedDB · PWA*

Offline-First Japanese Flashcard Learning App

- Architected offline-first sync using Indexed DB with optimistic updates and queued mutations that sync to Supabase on reconnect
- Implemented spaced-repetition study logic with grading, due-date scheduling, streak tracking, and visual progress stats
- Integrated AI-assisted flashcard generation and Excel-based lesson imports to accelerate vocabulary creation

- Designed feature-rich app covering dashboard, card creation, study mode, quiz, social sharing, and statistics views

Live: <https://jpdev-flash-cards.vercel.app/>

Medical & Dental Clinic Management System — PHP · MySQL · HTML · CSS · JavaScript

Capstone Project — Full-Stack Web Application

- Developed complete clinic management system with CRUD for patient records, appointments, and medical histories
- Designed and optimized a normalized MySQL relational schema for efficient, scalable data retrieval
- Built secure role-based access control (RBAC) for admin and clinical staff, eliminating unauthorized access
- Digitized manual clinic workflows and automated appointment scheduling, significantly reducing administrative overhead

Productivity Timer App — React · JavaScript · Cloud Storage · HTML5 Audio

Interactive Productivity Tool — Frontend Web Application

- Developed comprehensive Pomodoro-based productivity timer with configurable work sessions, short breaks, and long breaks for optimal time management
- Implemented task management system with CRUD operations for creating, completing, and tracking tasks during focused work sessions
- Built persistent data storage using Local Storage API to maintain task lists, session history, and productivity statistics across browser sessions

TECHNICAL AND NON-TECHNICAL SKILLS

Languages	JavaScript (ES2023+), HTML5, CSS3
Frontend	React.js, React 19, Vite, PWA (Service Workers, IndexedDB)
Backend	Node.js, Express.js, PHP, Socket.io, Web Push, NodeMailer
Databases	MongoDB, MySQL, Supabase (PostgreSQL)
Tools	Git, Postman, VS Code, XAMPP, Figma
Concepts	REST APIs, JWT Auth, RBAC, Spaced Repetition, Offline-First Sync
Visual Design	Canva, Photoshop
Soft Skills	Time Management Teamwork and Collaboration

EDUCATION

BS Information Technology | Polytechnic University of the Philippines Calauan Campus

2023 – Present (Expected 2026)

Diploma in Information Communication Technology | PUP – Sto. Tomas |

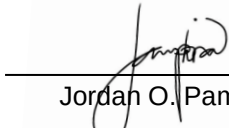

Senior Artist at **THE SEARCHER** (The Official Student Publication of the Polytechnic University of the Philippines—Santo Tomas Campus)

2021 – 2024

SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS (STEM) | Faith Colleges Tanauan 2019-2021

AWARDS & RECOGNITION

President's Lister — Polytechnic University of the Philippines, Sto. Tomas, Batangas
With Honors — Mabini Educational Institution
With Honors & Journalist of the Year — Talaga Central School

Jordan O. Pamplona
